IN CONFLICT WITH
FLEEING BANDITSDispatch From Field Says
Fight was On During
Sunday.

RESULTS ARE NOT KNOWN

Brief Message Indicates That Troops
Have Again Overcome Part of
Villa's Scattered Command; Shots
Heard; Villa is Not Located.

By Associated Press.

CAMP DE GUERRA, April 3.—(AP)—The military authorities at Mexico City, April 3, by airplane to Colombia, April 3, American aviators encountered a flying force of Villa men near the town of Santa Fe, and a battle was fought today and Sunday, but no report has been made to headquarters as to the results.

The mountain of Guerrero are being bombed thoroughly for Villa by the American forces, but nothing has been heard as to his whereabouts other than that captured bandits said he was being carried farther into the mountains in his jolting coach.

General Pershing announced today that troops of the infantry are to be used for mountain climbing, co-operating with the cavalry who have been the brunt of the two days' pursuit of Villa. The infantrymen had been going through hardening preparation in hill climbing marching for about two weeks and their officers say they are in excellent physical shape.

The troops were closely behind Villa yesterday, according to reports, and after he had fled from it, it was expected that he might have hidden in one of the huts and every precaution was taken to effect the capture. Two squadrons of cavalry entered the village from opposite sides simultaneously.

There have been a number of minor skirmishes in the vicinity of the village since reports today that the troops had again overcome part of Villa's scattered command. The fighting was on Sunday and today without casualties. American aviators are now flying over the entire territory, dropping every dispatch from the front to the field base and headquarters. Motor trucks also have been able to penetrate the territory and are as far as the territory occupied by the enemy under Colonel George A. Dodd.

VILLA AGAIN FLEES

El Paso, Tex., April 3.—(AP)—Francisco Villa again becomes the man of mystery.

Almost within the grasp of the American cavalry after the battle of Guerrero, the bandit was reported today to have slipped the net closing about him and to have covered the trail of his flight. Mexican officials in Durango sought information of the whereabouts of the bandit, but the telegraph wires brought no definite word. Mexican troops had it that Villa and another band of his followers were going on Chihuahua city with the intention of setting the march on the de facto government. The reports were received from a source who was said to have been in contact with the bandit. These reports brought here by travelers were scouted by Mexican General Gaxiola.

While the bandit's main command was scattered at the battle of Guerrero, it is believed here that Villa had several other large bands of men dispersed at convenient positions in the continental divide and that Colonel Keady and his American troops may come in contact with them at any time.

While the search for Villa continues, Colonel Dodd will seek to destroy armed bodies of Villa forces which are a constant menace to the line of communication. There is no light on the recent operations of the Carranza forces against the Villa-Vanderbilt forces at Berthel has not reported to the American headquarters for several days and what resistance the troops of the de facto government is giving General Pershing and his men is not known.

Traffic over the Mexican Northwestern railway is becoming more active since the advent of the American expeditionary forces in the Casas Grandes and Maderia districts. A freight train arrived from Casas Grandes today and later a mixed passenger and freight train started out for Pecos, 30 miles south of Casas Grandes. Two carloads of freight and two carloads of express merchandise shipped by private parties, but expected to reach the army, made up the freight train. The passengers included many Americans returning to the interior after flight to the border following the Columbus, N. M., massacre.

THE HAGUE, April 3.—The Associated Press is again authoritatively informed that all apprehension concerning an impending embolism of Holland with any foreign power are wholly unfounded, but a considerable section of the public persist in believing that the expected coming offensive by the Allies, supposed to be planned at the Paris conference, holds the possibility of danger to Holland's neutrality.

Public anxiety has been considerably allayed, but has not wholly disappeared in the absence of a statement from the government to clear up the situation. An alarming bulletin published on Friday was not issued at the instance of the government.

TWIN KILLED BY ZEPPELIN

LONDON, April 3.—Two persons were killed and 11 injured on Sunday night by the Zeppelin raid. It was announced this afternoon that there were no casualties to England.

NO REPORTS OF FIGHT

COLUMBUS, N. M., April 3.—Today, five days after the forces of Francisco Villa began their flight from the battlefield of Guerrero before the victorious Americans, details of the pursuit are still lacking.

Military authorities here are inclined to believe this means that Colonel George A. Dodd's American cavalrymen are still searching for the bandit leader in some remote mountain wilderness of Guerrero, far out of communication with the field base at Colonia Dublan.

There was no official confirmation of numerous rumors of developments in the pursuit. Among these was one that Villa had been captured and another that the bandit chieftain, seeing that capture was inevitable, had committed suicide.

Special to The Courier.

UNIONTOWN, April 3.—Remonstrances against the granting of hotel licenses at Smithfield and Perryopolis were heard by Judge J. Q. Van Swearingen and E. L. Rappert in the annual session of license court this forenoon. Close remonstrances were filed against the granting of license at the Albion Hotel, Fairchance, by Fredman and whom are seeking the license there. The application of Richard W. Rush, both asked to be granted the license at the Ohio House in Ohio. The session of license court was a brief one, being concluded in one hour and a half after it began. There were many women in court today and the entire seating capacity of the large court room was taken up by spectators.

Attorney John Duggan, Jr., represented Jesse B. Wyatt, who is seeking a renewal of his license at the Hotel Elbow. Among the theory was that the children of Perryopolis, declaring it to be a nuisance, had had a letter from Mr. Wyatt's wife child had signed it when it was taken into the public school there. Mr. Duggan said that during the year Mr. Wyatt served over 15,000 meals at the hotel. There was a room in the hotel.

The remonstrances were represented by Attorney H. S. Dumbauld and H. L. Robinson. Dumbauld said that the license at the hotel was a nuisance since 1904. He declared that the application was taken into the public school there. He said that the petition of the school children was circulated by one of them. The women of Perryopolis who were petitioning the court to deny the license to the hotel would rather entertain strangers than have the temptations of an open bar. The application of C. B. Griffin, a license at the Smithfield Hotel, Smithfield, was represented by Attorney Duggan. He submitted a letter from the application, J. W. Dawson represented the remonstrance. Safe Medicine for Children.
"Is it safe?" is the first question to be considered when buying cough medicine for children. Chamberlain's Cough Remedy has long been a favorite with mothers of young children as it contains no opium or other narcotic, and may be given to a child as confidently as to an adult. It is pleasant to take, which is of great importance when a medicine must be given to young children. This remedy is most effective in relieving coughs, colds and croup. Obtainable everywhere.—Adv.

**YOUR SICK CHILD
IS CONSTIPATED!
LOOK AT TONGUE**

**If Cross, Feverish or Bilious
Give California "Syrup
of Figs."**

No matter what ails your child, a gentle, thorough laxative should always be the first treatment given. If your little one is out-of-sorts, half sick, isn't eating, crying and acting naturally—look! Mother! see if tongue is coated. This is a sure sign that his little stomach, liver and bowels are clogged with waste. When cross, irritable, feverish, stomach sour, breath bad or has stomach-aches, diarrhoea, sore throat, full cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated, poison, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again.

Mothers can rest easy after giving this harmless "fruit laxative," because it never fails to cleanse the little one's liver and bowels and sweeten the stomach and they gladly have its pleasant taste. Full directions for babies, children of all ages and for grown-ups printed on each bottle. Beware of counterfeit laxatives. Ask your druggist for a 5-cent bottle of "California Syrup of Figs," then see that it is made by the "California Fig Syrup Company."—Adv.

Would your skin stand this test?

The bright lights of an evening gathering show up mercilessly the defects of a poor complexion. But the regular use of

Resinol Soap

makes it as easy to have a naturally beautiful skin as to cover up a poor one with cosmetics. It lessens the tendency to pimples, redness and roughness, and in a very short time the complexion usually becomes clear, fresh and velvety.

In severe or stubborn cases, Resinol Soap should at first be aided by White Resinol Ointment. All druggists sell them.

Men with tender faces find that Resinol Shaving Stick prevents irritation.

PAIGE

The Standard of Value and Quality

You Must Place Your Order Now If You Want "Immediate Delivery"

Once again we must urge you to act quickly in placing your order for a Paige Fairfield seven passenger "Six-46".

Don't delay. Don't put the matter off one day longer than is absolutely necessary if you would avoid disappointment later on.

Already the factory is flooded with orders for this wonderfully popular model.

Despite the fact that our manufacturing facilities have been tripled we are facing an immediate shortage of Fairfields, and the spring retail season is only a few weeks off.

Just stop for a minute and consider the significance of the statement when we tell you that, so far in 1916, we have marketed more seven passenger cars than any other manufacturer in our price class.

Also, ponder over the fact that during March we shipped 25 solid train loads of the Fairfield model exclusively.

Last year, you will remember, there was a long Paige "waiting list."

Hundreds of people delayed their purchases until the last minute—and were then compelled to accept sixty and ninety days delivery—or compromise on a "second best."

So, be fair to yourself. Protect your own good interests. Go to the Paige dealer—place a cash deposit in his hands—and make sure that you will receive the car of your choice.

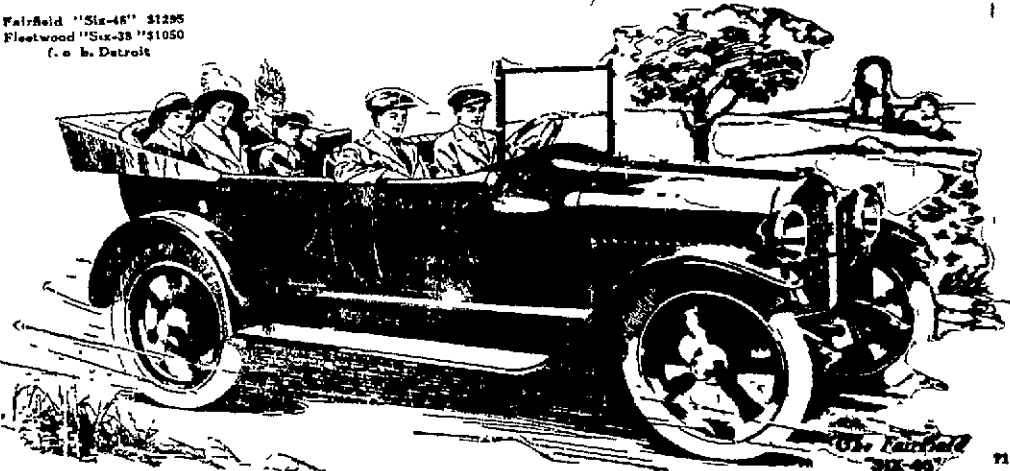

It is by no means our purpose to "stampede" motor car buyers into early or ill-advised purchases, but we know that a shortage is coming and offer this information in a sincerely helpful spirit.

And now let us say a word about the car itself.

First and foremost we want to remind you that the Paige Fairfield "Six-46" is a tried and proven success.

NEW MEN FOR LITTLE GIANT

Pittsburg & Lake Erie continues to
import labor for improvements be-
ing made at Dickerson Run; Chief
Engineer Pratt Here; Other Notes.

The yards of the Baltimore & Ohio
railroad were tied up for a while yes-
terday morning when a switch of cars
jumped a rail and both the east and
west yard tracks. A shifter was push-
ing the long string into the west yards
and after several cars had passed
over a switch the rear wheels of one
tumbled it open and split it. This
threw two other cars from the rails.

NEW MEN HIRING

New men are still being hired by
the Pittsburg & Lake Erie railroad
at Dickerson Run for improvements
that are being made in the yards at
that place. Thirty-two men were
hired Friday morning and on the
evening of the same day 50 more ar-
rived and were put to work Saturday
morning. On Saturday grading was
begun in the west yards where three
new tracks will be laid. These tracks
are to be completed and put into use
as soon as possible, as they are badly
needed. There is not much grading
to be done and it will only take a few
days to put in the tracks. There is
still much room for expansion in the
west yards. At least 15 more tracks
could be laid there.

Wright-Metzler Suits are Popular at These Prices

IT ISN'T MUCH WONDER \$25.00 and \$29.75 are such popular
prices for the new Spring Suits when such charming style and

the particular requirements of refined tastes. Some are quite plain.
Others are more elaborate in their trimmings.

—We don't claim these Suits to be worth more than \$25 or \$29.75, as
the case may be, but they ARE so good we unhesitatingly recommend
them to all women who have decided to pay about this amount.

Many Other Suits at \$15 to \$65

MEYERSDALE

MEYERSDALE, April 3.—The re-
mains of Michael Ryan, who died in
the Allegheny hospital in Cambria
Saturday, were brought here
yesterday and taken to R. Reich's
Sons' mortuary where they were pre-
pared for burial and then they were
taken to the home of Michael Foley,

place Monday at 9 A. M. High re-
quiem mass will be celebrated in St.
Philip and James Catholic Church by
his pastor, Rev. Father Brady, after

highly respected by all who knew
him. He was employed with the
Baltimore & Ohio railroad company
for many years in the capacity of
watchman, but for several years he
had been on the pension list. About

two weeks ago he fell from a chair
at his boarding house at Glenora and
sustained a broken leg for which he
was being treated in the hospital,
when complications set in which
caused his death. He was about 30
years old.

Mrs. W. E. Payne visited friends
in Wyndman on Saturday.

Miss Annie Weimer of Greenville
township spent Saturday visiting
relatives and shopping in Meyersdale.

Mrs. Theodore Ravenscroft of Sand
Patch, spent several days here visit-
ing relatives and friends.

John Thompson has returned to
his home in Clearfield after a visit of
several weeks here with relatives and
friends.

Mrs. O. O. Cook and daughter,
